Specials Schedule Options for the 2017-2018 school year

P. Cook

Mrs. Cook and Mrs. Vaughn shared ideas about different ways to schedule the UCES specials classes for next school year. One of the requested goals is to give entire grade level teachers planning at the same time. This would require having 10 specials classes at one time. A variety of possible specials classes were given. SGT members shared concerns about PE and wishing there was more time for PE as it relates to medical issues as well as learning potential for students.

Milestones Testing updates

P. Cook

Mrs. Cook and Mrs. Donahue shared technical updates as they relate to testing. As testing progressed, it was found that some chrome books were not being turned off and back on regularly. This is a needed step to make sure any updates are properly installed. Overall, having one-to-one technology for testing has made testing scheduling much easier than in previous years.

End of Year Activities

P. Cook

Mrs. Cook shared some of the upcoming fieldtrips, field day, and local outings that are planned for UCES students.

SGT members shared ideas about additional signs for the parent drop-off/pick up area to assist with traffic flow and timing. Mrs. Hughes shared some ideas she had seen at different schools she visited.

There being no further business, Chair Tammy Hughes called for a motion to adjourn. Steven Tanner made a motion to adjourn. Steve Rouse seconded the motion. Motion passed. The meeting was adjourned at 7:45 am.
